

REMARKS

The specification is amended to include the patent number and issue date of a commonly owned U.S. patent that was not known at the time of filing of the present invention.

In view of the above, the Examiner is respectfully requested to enter this amendment prior to issuance of the patent. If there are any remaining issues that need to be addressed in order to place this application into condition for issuance, the Examiner is requested to telephone Applicants' undersigned attorney.

Respectfully submitted,
